Dear Mr. Prashant

On behalf of EFL, we want to express our gratitude for taking time from your India visit (which we are sure was very busy) and conducting '*Serve, Lead, Succeed The Yogic Way*' workshop for our top management team.

All who participated in that workshop are major decision makers and hence leaders of our organization. We are sure that yogic way as shown by you would give them whole new perspective while doing their jobs to the fullest.

Yours Sincerely,
